

PREVENTING UNDERNUTRITION IN ELDERLY CITIZENS

Science meets Regions
Aarhus University
29th October 2019

Science
Meets
Regions

8.30

Registration

9.00

Welcome

Moderator | **Trine Sick**

9.10

Setting the scene

Regional perspective | **Anders Kühnau**

President of Central Denmark Region

Scientific perspective | **Brian Bech Nielsen**

Rector at Aarhus University

9.30

Science Meets Regions | Promoting evidence-informed policymaking beyond Brussels

Stijn Verleyen | Joint Research Centre | European Commission

9.45

Health economics at undernutrition among elderly citizens

Kjeld Møller Pedersen | Professor

The University of Southern Denmark

10.10

State-of-the-Art: Undernutrition in older people

Jette Lindegaard Pedersen | Nurse | PhD

Aarhus University Hospital

10.30

Break

10.50

Meal Intake, Quality and Experience

Meal Intake

Siri Beier Jensen | Head of Department

Department of Dentistry and Oral Health | Aarhus University

Meal Quality

Barbara Vad Andersen | Post Doc
